

Here come

# The Hmms!

The sweetest creatures born by human imagination are now here and they all appear in a new, colorful book series!

See how those tiny creatures have been discovered and learn all about them!

## What is a Hmm?

A Hmm is a tiny creature living inside the pages of books and notebooks.

A Hmm is a little loveable creature that gets overjoyed every time someone reads the pages of a book or writes on the pages of a notebook.

A Hmm is a creature that encourages children to READ and to WRITE.
